Material Safety Data Sheet

1. Identification

Product Name: OFS Complex A
Other Names: Liquid fertilizer
UN Number: None allocated
Hazchem Code: None allocated
Dangerous Goods Class: None allocated
Poisons Schedule: Not scheduled

Use

Product is used as a liquid fertilizer/foliar feed
Method of Application: Applied via spray equipment or irrigation.

Physical Description

Appearance: Brown viscous liquid, slight pungent odour.
Vapour Pressure: Not available
Specific Gravity: 1.2
Flashpoint: Not applicable
Solubility in Water: Fully miscible
Other Properties: Avoid mixing with strong alkalis or acids.

Ingredients

Chemical Entity: Liquid fish, liquid kelp, liquid humus, Triacontanol, chelating agents, polysaccharides, herbal extract, natural suspension agent and preservative.
CAS Number: Non allocated

2. Health Hazard Information

Health Effects

No adverse health effects expected if the product is handled in accordance with this MSDS and the product label. Symptoms that may arise if the product is mishandled are:

Acute Swallowed: Swallowing can result in nausea, vomiting and abdominal pain. Immediately rinse mouth with water. Give water to drink. If vomiting occurs give further water. Seek medical assistance.

Eye:	Contamination of eyes can result in permanent injury. Immediately irrigate with copious quantities of water for at least 15 minutes. Eyelids to be held open. Remove clothing if contaminated and wash skin. Seek medical assistance.
Skin:	Repeated or prolonged skin contact may lead to contact dermatitis. Immediately wash contaminated skin with plenty of water. Remove contaminated clothing and wash before re use. If swelling, redness, blistering, or irritation occurs. Seek medical advice.
Inhalation:	Inhalation of mist may produce respiratory irritation in some people. Remove victim from exposure. Allow patient to assume most comfortable position and keep warm. Keep at rest until fully recovered. Seek medical advice if effect persists.
Advice to Doctor:	Treat symptomatically.

=====

3. Precautions for Use

=====

Exposure Standards:	No value assigned for this specific material by the National Occupational Health and Safety Commission.
Engineering Controls:	Ensure ventilation is adequate to maintain air concentrations below Workplace Exposure Standards. If generating mist or aerosols, use with local exhaust ventilation or while wearing mist respirator. Keep containers closed when not in use.
Personal Protection	Wear overalls, rubber boots, face shields, safety shoes, gloves, and splash apron. Good industrial hygiene practices should be observed.
Flammability	Non-Flammable

=====

4. Safe Handling Information

=====

Storage and Transport:	Store out of sunlight. Suitable for all general storage areas.
Spills and Disposal:	Avoid accidents, clean up immediately. Contain using sand or soil – prevent run off into drains and waterways. Soak up spillage and recover/recycle if possible.
Disposal	Dispose of as industrial waste in accordance with local city, district or regional Council Waste Management Authority.
Fire Explosion Hazard:	Non-combustible material. Extinguishing media governed by other materials present.
