-------------	--

Cockroaches – Spray skirting boards, cupboards, drawers and under kitchen appliances to flush out and kill cockroaches.  
 Silverfish – Spray around bookshelves, drawers, along skirting boards and architraves.  
 Fleas – Spray carpets in infested rooms, being sure to spray under furniture.  
 Ants – Spray directly in or around garbage bins, food disposal area, sills and other points of entry.  
 Clothes Moths – Spray clothes storage areas.  
 Carpet beetles – lightly spray carpets particularly in areas of litter or no traffic.  
 Spiders – Spray onto eaves, webs and other sites where spiders lurk.  
 Bed bugs – Lightly spray mattress, bed frames and skirting boards.  
 Millipedes – thoroughly spray surfaces inside the home where millipedes enter to maintain an insecticide barrier.

USE THIS PRODUCT ONLY AS DIRECTED

General Instructions:

Precautions:

KEEP OUT OF REACH OF CHILDREN

FLAMMABLE. Do not spray near flame or fire. Turn off electrical appliances and extinguish pilot lights in the area being treated.

DO NOT SPRAY INTO THE AIR

DO NOT spray towards the face

DO NOT spray directly onto humans, pets, exposed food, food utensils or food preparation surfaces.

Remove or cover fish tanks and birds before spraying.

Care should be taken not to spray delicate fabrics or furnishings and plastic surfaces without prior testing.

BEWARE: Deliberately sniffing or inhaling concentrated spray can be harmful or fatal.

Protections:

Storage and Disposal:

Storage and disposal:  
 Pressurised dispenser. Protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn even after use. Recycle empty cans if a facility is available, or place can in household rubbish.
